Warrnambool & District Base Hospital Incorporated

108th Annual Report

TO THE LIFE GOVERNORS AND CONTRIBUTORS —

Ladies and Gentlemen,

It is a privilege and pleasure to present the 108th Annual Report and audited Financial Statements for the year ended 30th June, 1962.

It is pleasing to report a satisfactory year of development and progress in the hospital's service to the community. Our hospital was established 108 years ago when bullock drays creaked along tracks winding through approximately 60 homes, and it was conceived and founded by men of vision and compassion who prepared a resting place for the benevolent but in doing so laid the foundations of the Base Hospital we know today.

Whilst a span of over a century has since passed, service to the community still remains the paramount aim and to ensure such service, expansion and modernisation, in keeping with the changing pattern of modern technical and scientific development is essential.

CONSTRUCTIONAL ACHIEVEMENTS AND WORK IN PROGRESS

The Board has steadily progressed with its master plan of building development so that the future will bring reality where each segment built, as finance permits, fits into a pattern planned with thought to suitable location of essential departments in relation to each other.

Foremost in this planning has always been the urgency to rebuild our public wards which have been renovated and remodelled over many generations and in spite of this have yet remained quite unsuitable for nursing of surgical and medical patients in an efficient manner.

It is most gratifying to be able to report that after years of planning in conjunction with the Hospitals Commission and our architects (Demaine, Russell, Trundle, Armstrong and Orton), positive steps have been taken to make this expansion program a reality. Whilst our architects are employed on a professional basis we appreciate and recognise that they show a personal interest in the welfare and comfort of our patients. Tenders were called in January for the erection of a modified multi story building to be constructed above section of the modern Outpatients and Medical Services Block to provide 73 beds comprising Surgical, Medical and Children's Floors. Nine tenders were received and the successful tenderer was E. S. Harris of Warrnambool at a contract price of £317,973, which included mechanical £24,535, electrical £14,900, lift, £31,785; added to this amount will be furnishings and architects' fees. Of the estimated completed cost of £350,000 plus stage 2 as outlined below, cost undetermined, Warrnambool must accept the obligation to provide £80,000 of which some £30,000 is in hand. This includes investments from Children's Ward Appeal in 1944 which

raised £11,811, plus added sums placed to Building Account over recent years.

At the time of the printing of this report citizens will be well aware of the plan to launch an appeal for £50,000 early in 1963 to cover both of these vital stages of building development.

Stage 2 is an integral part of above plan and the preliminary planning will commence later this year.

It envisages the building of a modern Casualty Department and Operating Theatres Suite with a Central Dressings Department in the area linking the Theatre with the Surgical Floor of the building now under construction.

Whether construction will continue without interruption depends upon finance being made available by Government sources. The present Male and Female Wards will remain in use temporarily for housing aged and infirm.

Kitchen: As a part of this modernisation program and subsequent added patient accommodation the kitchen was completely remodelled at a cost of £11,972, with barred tile floor, modern exhaustive system to eliminate heat and odours, and modern equipment installed to ensure efficiency. The catering service provides up to 1,000 cooked meals, including special diets, daily for patients and living-in staff as well as a similar number of minor snacks, and the chief caterer and his staff spare no pains to provide quality by sound purchasing, skilled preparation and electrically-heated distribution and attractive serving.

Refrigeration units have been enlarged and modernised and comprise deep freeze room, dairy room, meal room and vegetable room.

NURSES' TRAINING SCHOOL has benefited by the addition of a demonstration room size 27' x 10', a library for nurses' text books and a quiet room suitably furnished for study purposes. During these renovations a small visitors' room was erected adjacent to the entrance of the Nurses' Home.

PATIENTS' ACCOMMODATION:

Whilst all patients' facilities have been under constant review special attention has been given to modernisation of all the sections remaining in use after removal to newly constructed wards. Midwifery and General Floors Marcus Saltau House have been repainted and wards refurnished.

Nurses' Sick Bay has been renovated and re-decorated.

FUTURE PLANNING FOR EXPANSION AND MAJOR ALTERATION:

Currently with multi-story construction will come remodelling of our Boiler House and Steam Raising Plant. Our four present units of oil-burning and hard fuel consumption will be replaced with down-jet type of briquette-burning package boilers for both steam and hot water reticulation.

Tradesmen's Workshops will be a further section of this planning for engineers, plumber, carpenters, painters, electrician, etc.

Sisters and Nurses Home accommodation has been strained to its limits for some years as there is only living-in accommodation for 117 whereas nursing staff total 146. The need to accommodate Nurse Aides in Training from other hospitals has accentuated this problem. The first move towards relief will be a section for senior sisters' accommodation in a self-contained extension, but this may be delayed for a year or more.

HOSPITALS AND CHARITIES COMMISSION:

We feel that Dr. John Lindell, Chairman and Commissioners have given every possible consideration to proposals we have submitted during the year and the hospital has received a generous and fair treatment in the matter of monetary allocations in view of the many demands made on the Commission resources. Senior officers of the Commission give valued advice and we appreciate the courtesy and help we always receive from them.

BOARD OF MANAGEMENT:

At the close of the year the Board was reluctantly compelled to accept the resignation of Mr. Geo. Nicoll owing to his retirement from the position of manager of Nestles Co. and subsequent leaving to reside in Melbourne. His sound advice and splendid co-operation given over 15 years on the Board will be greatly missed.

The following members retire by effluxion of time or by By-law 31, but are eligible for re-election—Dr. Irving Buzzard, Messrs. A. J. Smart, P. T. Parker, R. G. Bennett, F. P. Callaghan, W. J. Huffer.

Mr. R. V. Philpott has had some leave of absence owing to ill health and our wishes are extended for a speedy recovery.

HONORARY SERVICE:

The Committee gratefully acknowledges the work of the Honorary Medical and Dental Staffs and the skill and attention so freely and unselfishly bestowed.

The Honorary Optometrists were unsparing in both time and personal expense to provide spectacles to aged patients at the Base, Alveston and Corio and this service is greatly appreciated.

Warrnambool and district residents gratefully acknowledge the voluntary work of Peter McCallum Cancer Clinic, and Polio-myelitis Council visits during the year.

Spiritual welfare of patients has been in the comforting hands of the various denominations and regular visits are greatly appreciated.

Warrnambool Standard and its editor have assisted greatly by presenting hospital service to a wide public in a favourable manner.

CARE OF THE AGED:

The pattern of full scale care of the aged of the community has further developed during the year with the expansion of the City Council domiciliary service. This practical service combined with Elderly Citizens' Club activities provide early comfort for those in the evening of life. Progression moves on to Lyndoch Hostel for Ambulatory Aged and Alveston and Corio Homes for Aged and Infirm, also Wards 4 and 5 at the Base Hospital. The latter four under the control of this Board have accommodation for 118 patients always filled, with a substantial waiting list of those seeking admission.

Staff are always forthcoming to give unsparingly of time and effort to bring happiness and contentment to these patients. A part quotation rings truly—that whilst people may be paid to work with head and hands there is not enough money in the world to buy people who will work with their hearts.

Heart warming support is given in this work by Fletcher Jones and Staff, Church Organisations who conduct fetes, Rotary and Apex Clubs, who have each contributed much to the comfort of patients.

T.V. has been installed in Alveston and Corio and is proving a great boon.

A new sun room and additional bath and toilet facilities at Alveston and approaches to Corio improved by levelling and colassing both Nelson and Liebig Street entrances.

A combined deputation from Base Hospital and Lyndoch Committees placed before the Chairman and Deputy Chairman of Hospitals Commission the district need for a co-ordinated plan for aged care to embrace, in addition to care similar to the present attention, an expansion of beds and Day Hospital and Physical Rehabilitation programs which are the modern and suitable approach to this grave problem.

SPECIALISTS' SERVICES:

Technical departments dealing with the scientific art of medicine especially Pathology, X-Ray, Blood Bank, Physiotherapy, Pharmacy have shown a marked growth in service to the city and Corangamite Regional service.

The Pathology Department is now approved as a Training School for the Medical Technologists' course and up to date three students are in training.

X-Ray Department is stepping up its service by adding a further Mobile X-Ray Plant at a cost of £1700 for ward and theatre use.

Consultant Clinics for Eye, Ear, Nose and Throat are now available to the Corangamite Region by visiting specialists.

NURSING is an exacting profession. It requires more than ever before an understanding of the basic principles of medicine and surgery and a thorough practical and theoretical background of patient care.

There is no shortage of trainees as General Training Preliminary Schools have shown the largest intake for many years, applications coming from many areas of Victoria.

Nurse Aide Schools have also provided an entry to the nursing profession to 58 students during the year from such distances as Casterton, Apollo Bay, Hamilton, Portland, Edenhope, South Australia, Ballarat, etc. etc.

A supervisory sister has been a new appointment to co-ordinate and apply the theoretical training of the schools with the practical work in wards. The appointee has co-operated with ward sisters in charge to contribute considerable benefit to the understanding by each trainee. Medical staff members have also introduced ward clinical rounds which have proved invaluable.

Staff living-in conditions are constantly under review and renovations and particular attention has been concentrated on modernization of nurses' dining room.

In the nursing field in a wider sense a forward move has been the establishment of a Western District Branch of the Royal Victorian College of Nursing which will be a means of disseminating educational information.

EQUIPMENT is constantly under review and generous gifts by auxiliaries outlined in more detail elsewhere in this report have facilitated the purchase of modern theatre instruments, Pathology equipment and a continuation of the process of modernisation of all sterilization procedures by installation of high pressure autoclaves in place of boiling water methods.

INFECTIONS COMMITTEE: A recent venture is the appointment by the Board of a Combined Medical, Nursing and Administration Committee of seven members who will meet regularly and seek out, analyse and correct any infections risk.

APPEAL: The management and staff of 3YB Station gave liberally of air time and personal effort to ensure a successful appeal and the enthusiasm and efficient organisation created a record district effort since the inception of the appeal. Our congratulations to Mr. E. Collings, manager, and Mr. N. Bradley, studio manager, and staff for this fine effort.

We record deep appreciation to our candidates and committees who combined enthusiasm and hard work to achieve outstanding financial results.

Warrnambool Base and Annex candidates were:—

Warrnambool Staff Auxiliary (Mr. & Mrs. Jim Heazlewood) £2672
 Astronaut Shirley Fink £69/6/4
 Alveston (Mrs. Nelly Robinson and Mr. Robert Smith) £1694
 Corio (Miss Elizabeth Allenby and Mr. Thomas Kermend) £1314

The practical support is stimulating and encouraging to the Committee.

STATISTICS AND FINANCE: Reports are submitted in another form elsewhere in this report. The service of a hospital cannot be measured or evaluated in a profit and loss account or statistical records but some study of these items indicates the scope of service to the whole community emanating from this source.

MANAGER AND SECRETARY: The year's progress has been made possible very largely because of the many abilities of your manager, Mr. S. A. Lindsay. Wide know-

ledge of current trends in hospitalisation has greatly assisted in planning the new building programme. Tact and understanding have resulted in staff loyalty of a very high order. The Board of Management wishes to record its wholehearted support and approval of the administration carried out by Mr. Lindsay.

STAFF: Dr. R. H. Laurence completed his third year of competent service as Senior Resident Medical Officer and left the hospital in April. The Board greatly appreciates the efficiency and goodwill shown by Dr. Laurence who journeyed from England three years ago under contract, accompanied by Mrs. Laurence and children and so loyally carried out his contractual obligations.

Mr. W. I. Layther, assistant manager, and Mr. A. Matthews, accountant, have proved constructive and efficient officers and are engaged at the time of report on the exacting task of implementing mechanical accounting procedures in office routine.

Departmental heads in engineering, catering, laundry and all other departments gave invaluable and co-operative service during the year and always showed creative thought in improving method of procedure in their departments to benefit the hospital.

NURSING: Congratulations are extended to Matron D. A. Swinton, M.B.E., who has gained the additional distinction of being elected a Fellow of the Royal College of Nursing Australia. This honor was conferred at the Australian Conference in Tasmania in April, 1962.

Miss Swinton, ably assisted by Deputy Matron E. Higgins, Diploma Nursing Administration, have administered nursing service to a high standard for which sincere appreciation is expressed.

Our thanks are also conveyed to Sister A. Haddow, in charge Nursing Aide School, and Senior Tutor Mr. G. Coulson and Charge Sisters holding responsible posts, for their co-operation and care of the patients in their charge.

At the annual Graduation Ceremony guest speaker was Hon. R. W. Mack, M.L.C., Minister of Health, who gave an inspiring address to the graduates.

Graduates were: Nurses E. J. Bell, G. Edgar, F. T. Fitzgerald, M. J. Gale, L. M. Grayson, Y. J. Harper, M. J. Hesketh, J. Hose, J. C. Knights, H. C. Lane, H. M. Morden, N. A. Morris, W. A. Morton, K. M. McGuinness, M. Ryan, H. L. Smith, E. F. Trotter, C. D. Trotter, R. M. Watson.

Prize Winners were:—
 Gold Medallist Nurse W. A. Morton
 1st Year Theoretical, Nurse B. M. Holland
 1st Year Practical Nurse J. A. Wormald
 2nd Year Theoretical.....Nurse J. M. Wright
 2nd Year Practical Nurse S. O. Hose
 3rd Year Theoretical, Nurse W. A. Morton
 3rd Year Practical (President's Prize) Nurse G. Edgar
 Matron's Prize Nurse J. O. Chandler
 Sister Tutor's Prize Nurse L. J. Penn

Fourth Year Certificates: Sisters J. M. Davidson, J. Duncan, J. McGuinness, M. T. White.

GROUP LAUNDRY AND CENTRAL LINEN SERVICE: The volume of laundry processed has been averaging 68,000 lbs. dry weight monthly and caters for the needs of nine hospitals in the Corangamite Region. To accomplish this a value of £29,000 worth of linen is owned by the C.L.S. and distributed to each hospital upon requisition thrice weekly.

Cobden Bush Nursing Hospital has been the latest addition to the group.

A new tumbler with reversing gear, valued at £1179, also two-speed washing machine, 100 lb. capacity, valued at £1794, were installed to cope with increased volume.

CORANGAMITE REGION: Co-operation between hospitals has been typical of the spirit existing in a fraternity with a similar objective of better patient service.

Apart from the constant laundry service mentioned elsewhere frequent assistance is sought from the Base for loan of regional equipment, mainly insul cots for premature babies' care, fracture frames, etc. The demand on insulcots has been such that on several occasions all were out on loan and Warrnambool had none for use at the Base. The Board has purchased a new Both insulcot to relieve this position.

ESTATES: Bequests for the year were as follows:—

Estate W. E. Harvey £1000
 Estate Clara E. Kinnear £1183/13/-
 Estate T. B. Bennett £200
 Estate Elizabeth Fletcher £100

ENTERTAINMENTS AND TREATS: Nestle's Social Club again provided Christmas Cheer to all public patients with the usual visit of Santa Claus and a gift and cheery greeting to every patient. The Warrnambool Fire Brigade also made the festive season happier with gifts and comforts for patients.

The Theatre Group kindly donated the profits of the opening gala night for "Man Alive" to Hospital funds and approx. £70 was the benefit from the effort.

His Worship the Mayor graciously included the hospital as a beneficiary to the successful Mayoral Ball and the share of the hospital was £79/3/6.

Seaside Bowling Carnival exceeded last year's donation by contributing £71/17/9.

Warrnambool Progress Association provided £473/1/3 ex Christmas Beach Carnival.

CONCLUSION: The modern hospital in its social service to the public is a complex organisation which requires for its efficient functioning the skills and ability of many people, each having valuable parts to play in patient care.

Management and development of a major hospital is a great challenge to the understanding and imagination and requires much time.

— Auxiliaries —

Increased auxiliary activity has been most heartening and of increasing value to efficiency of planning. Without such aid much urgently-needed equipment, some for the new building and balance for existing departments, would be unavailable and your committee records thanks on behalf of all hospital-minded citizens to these ladies who are so willing and wholehearted in organising fetes, stalls, etc. for the benefit of the sick of our community.

The following short precis, in alphabetical order, gives little indication of efforts of each but is a mark of appreciation.

CARAMUT: An enthusiastic auxiliary, small in number, raised £101 for the year by stall and concert party, which will purchase a patients' recovery trolley and other minor items.

Office-bearers: President, Mrs. A. Hassett; Secretary, Mrs. E. Bickley.

Your committee is devoting such time in the interests of this community, and, in this task, just as our patients seek our aid, we seek also your goodwill and tangible support.

Only by such wholehearted co-operation may we achieve the desire of us all — a modern hospital, efficient in every sense, geared suitably to go to war against disease and to relieve suffering.

I record my appreciation for the loyal support and co-operation of my fellow members of the committee.

For and on behalf of the Committee of Management,

R. GEOFFREY BENNETT,
President.

DENNINGTON: A very successful year where a total of £191/6/6 was raised by house-to-house collection, card afternoons, and augmented by £50 from Nestle's Co. A dry steriliser has been secured for use in the operating theatre.

Office-bearers: President, Mrs. R. Barton; Secretary, Mrs. M. E. Lumsden.

GRASMERE - COORAMOOK: As in past years, made a feature of an efficient system of house-to-house collection and collected £118/17/6 (plus £15/6/-) and equipment will be purchased for new buildings from this amount.

Office-bearers: President, Mrs. A. Crothers; Secretary, Mrs. J. Henderson.

HAWKESDALE: One major effort was undertaken by the holding of a Paddy's Market in Warrnambool in October. Extensive organisation is commenced many weeks before the function and by efficient organisation and popular support, £384 was raised. This has provided kitchen equipment in the recent renovation.

Office-bearers: President, Mrs. McCosh; Secretary, Mrs. L. Dawson.

NARINGAL: This hard-working auxiliary has a handicap that no public hall is available in this area, but by stalls, picture shows and personal efforts £80 was raised, which will purchase a Shredall Waste Disposal Unit and nurses' training aids.

Office-bearers: Secretary and Treasurer, Mrs. A. Chislett.

NULLAWARRE, NIRRANDA AND MEPUNGA: The enthusiasm of this committee is very gratifying and efforts were — organisation of concert party, sale of T.V. tickets and systematic house collections, realising in all £209. This enables the purchase of two wheel chairs, operating theatre recovery unit, nurse training model, patients' scales and sink disposal unit.

Office-bearers: President, Mrs. H. Wallace; Secretary, Mrs. Lindsay Burleigh.

PURNIM, FRAMLINGHAM AND BALLANGEICH: Concentrated the efforts for the year on organisation of 3YB Concert Party at Purnim, also street stalls in Warrnambool with a gratifying total of £108 to purchase a wheel chair and pathology equipment.

Office-bearers: President, Mrs. K. Robinson; Secretary, Mrs. M. E. McDonald.

WARRNAMBOOL LADIES: Following the usual custom concentration was upon linen sewing activity, and this weekly rostered group built up an impressive total of manufactured and mended items of linen and in addition £60 was raised for Christmas cheer and geriatric equipment.

Office-bearers: President: Mrs. D. Dawson; Secretary, Miss L. Mack.

WARRNAMBOOL JUNIOR LADIES: Efficient and wholehearted effort raised a record total of £1086/12/- for this auxiliary. Being larger in numbers than other groups gave them scope for social entertainments which gave pleasure to a wide circle. The fete in November showed outstanding organisation. Besides well stocked stalls a baby competition was held, culminating on the day of the fete when the result of penny votes collected swelled the funds.

An amount of £1060 will equip all 73 beds in the newly constructed building with wireless installation at each bed, giving the choice of three stations emanating from three master sets. In addition the six-bed babies' ward, self contained, will be fully furnished. The small sum over will also be used on equipment.

Office-bearers: President, Mrs. W. R. Beetham; Secretary, Mrs. A. Hooten.

WARRNAMBOOL HOSPITAL STAFF AUXILIARY: Activity ranged from sale of crayfish to racing fraternity, Christmas and Easter competitions, puppet shows, toy train rides, sale of fire screens made by voluntary effort, picture nights, sweets stalls at concerts, which together raised £1152. This generous donation permitted re-furnishing of Nurses Dining Room and purchase of several items of valued equipment.

WARRNAMBOOL HOSPITAL PAST TRAINEES: A fete in the Temperance Hall was the main source of revenue. Sales of Theatre tickets and income from T.V. raffle realised £178, which provided important sterilising equipment for Alveston Home, fan for comfort of hospital patients and two major items of surgical theatre instruments for the Base Hospital, which gave our surgeons the opportunity to increase the scope of operational procedures and thus avoid transfer to Melbourne.

Office-bearers: President, Mrs. Don. Taylor; secretary, Mrs. I. Bruce.

WOOLSTHORPE. Through the courtesy of Mr. and Mrs. Jas Affleck their beautiful grounds at Minjah were made available for a hospital garden party. All the fun of the fair was supported with a Clay Bird Shoot and well stocked stalls, which realised £270/6/2. Added to this was an effort by the Warrnambool Clay Bird Club, whose function on 29/6/'62 raised £19. An electrocardiograph machine will be secured with the amount to assist heart disease diagnosis.

Office-bearers: President, Mrs. J. A. Affleck; Secretary, Mrs. John Good.
